Kirkpatrick Bank Presents Check to Deer Creek

Edmond: Kirkpatrick Bank helped kick off the Deer Creek High School football season with a gift to Deer Creek Schools Foundation and an announcement about a new program to support Deer Creek Schools. Kirkpatrick Bank and the Foundation have entered into an exclusive agreement supporting a school logo check card, known as a SchoolCard. The Foundation earns income for each card purchased and for each card transaction \$10 and over. Deer Creek SchoolCards are available with any account at Kirkpatrick Bank for account holders interested in supporting Deer Creek Schools.

In making the announcement, George Drew, President noted, “This program is a first in our market and it creates a community of giving. We have long supported Deer Creek Schools with various gifts or sponsorships and this gives us the opportunity to invite anyone in the community to join with us in this endeavor. In these tough economic times, our schools need the help of the whole community in order to keep our educational standards high.”

The SchoolCard program also includes special StudentCard Checking Accounts for high school teens. A check card account, it will help teens learn the basics of money management as well as provide an opportunity to express their school spirit.

Stacey Huddleston, vice president and branch manager at Kirkpatrick Bank’s branch office on Santa Fe and Danforth, as well as a proud parent of Deer Creek Schools students, was on hand to present a check to Rich DiAngelo, President of Deer Creek Schools Foundation at the first game of the season. Huddleston invited all Deer Creek supporters to come to the Danforth branch to sign up for their SchoolCards.
